

# Good reasons to use MyCareCouncil

MyCareCouncil is a new online service for people on the Register of Social Care Workers, for those applying to register, for social care employers and social work degree course providers

**'extremely useful and very accessible'**

**'I paid online and checked my details were up to date - very convenient'**

**'easy-to-use and very secure'**

**MyCareCouncil is available on our website**  
**[www.ccwales.org.uk](http://www.ccwales.org.uk)**

## **What can I do in MyCareCouncil?**

### **Apply to the Register:**

- Apply online
- Choose the person to endorse your online application
- Pay your fee
- Set up a Direct Debit
- Upload a document such as your verified qualification certificate

### **Already on the Register?**

- Tell us about changes (for example to your address or job details)
- Apply to renew registration
- Pay your fee
- Set up a Direct Debit
- Keep an online record of your post-registration training and learning (PRTL)
- Make a declaration about your criminal or disciplinary record
- Tell us about a change to your health which affects your ability to carry out your role in social care

### **Social care employer and HEI Care Council approved signatories can:**

- See your list of registrants
- Export a list of your organisation's registrants and signatories
- Endorse online applications to register or renew
- Notify changes to your signatories or organisation
- Tell us about any changes or concerns securely

## **Any questions?**
